

**No freezing, no boiling!** Thermo-matic air cooling system automatically adjusts engine temperature – in all weather, all conditions!

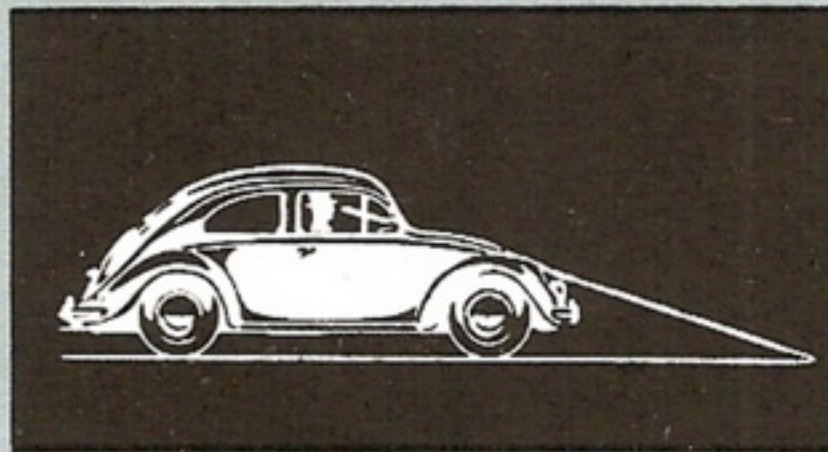

**Maximum safety and comfort!** Thanks to independently suspended wheels! Fully modern protected torsion bars cushion shock, level the roughest roads!

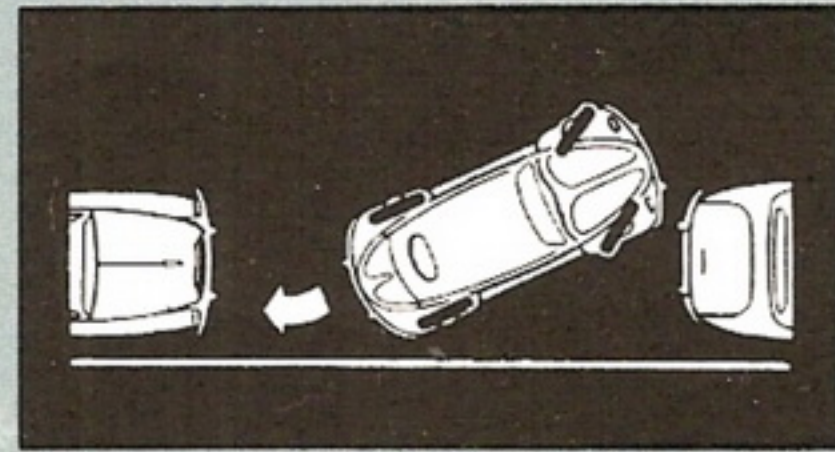

**Smoother, easier riding!** Four adults ride comfortably between the axles. Loaded weight is more evenly distributed, car's center of gravity is lower!

**Loads of luggage space!** Ingenious engine-in-rear installation provides ample luggage space under front hood as well as behind rear seat!

**Greater visibility, safety!** Super-wide visibility makes driving in traffic easier, safer!

**Easier, quicker parking!** Because Volkswagens are shorter, more compact and maneuverable you can always find a space in which to park!

## Specifications

<b>Engine</b>	4-cylinder, 4-cycle, o. h. v., with horizontally opposed cylinders and air-cooling system; displacement 72.740 cu. in. (1192 c. c.); S. A. E. h. p. 36 at 3700 r. p. m.
<b>Transmission</b>	4 forward speeds and 1 reverse; synchromesh on 2nd, 3rd and 4th gears, silent
<b>Final Drive</b>	Power transmitted through spiral bevel gear, two-pinion bevel differential gear and swing axle shafts to rear wheels; reduction ratio 4.4 to 1
<b>Chassis Frame</b>	Tubular center section forked at rear and welded-on platform
<b>Front Axle</b>	Independent suspension of wheels through longitudinal trailing arms, 2 enclosed, laminated, square-section torsion bars
<b>Rear Axle</b>	Independent suspension of wheels through swing axle shafts mounted on trailing arms, and one round torsion bar on each side
<b>Shock Absorbers</b>	Front and rear: double-acting hydraulic telescopic type
<b>Foot Brake</b>	Hydraulic, operating on all four wheels (Lockheed)
<b>Hand Brake</b>	Mechanical, operating on rear wheels
<b>Wheelbase</b>	94.5 in. (2400 mm.) Turning circle 36 ft. (11 m.)
<b>Tires</b>	5.60-15
<b>Track</b>	Front 50.8 in. (1290 mm.) Rear 49.2 in. (1250 mm.)

<b>Fuel Tank Capacity</b>	10.6 U.S. gal., 8.75 Imp. gal., 40 liters, incl. 1.3 U.S. gal., 1.1 Imp. gal., 5 liters reserve
<b>Overall Dimensions</b>	Length 160.2 in. (4070 mm.) Width 60.6 in. (1540 mm.) Height 59.1 in. (1500 mm.)

	<b>Sedan</b>	<b>Convertible</b>
<b>Net Weight</b>	1565 lbs. ( 710 kg.)	1720 lbs. ( 780 kg.)
<b>Unladen Weight</b>	1609 lbs. ( 730 kg.) incl. spare wheel and accessories	1764 lbs. ( 800 kg.)
<b>Payload</b>	838 lbs. ( 380 kg.)	794 lbs. ( 360 kg.)
<b>Permiss. Total Weight</b>	2447 lbs. (1110 kg.)	2557 lbs. (1160 kg.)
<b>Performance</b>	Fuel consumption, 32 mpg (U.S.), 38 mpg (Imp.). 7.5 l/100 km. Maximum and cruising speed 68 mph (110 km./h.) Climbing ability in 1st gear 20.5° (37%)

*New Horizons  
of driving economy, ease and pleasure!*

A pulse-quickenning, continental-styled Volkswagen opens brand new horizons of motoring economy... it's amazingly inexpensive to buy... so very cheap to operate! You get a whopping 32 miles per gallon – save money every magnificent mile! Volkswagen is the new yardstick for driving ease, too – actually three feet shorter than the average car. So compact, so maneuverable that parking's a breeze! And with four wheel independent suspension and low center of gravity, new horizons of driving pleasure are yours. You get that exciting feel as the Volkswagen hugs the road with unswerving confidence... with assuring, solid driving comfort!

What's more, Volkswagen's advanced air-cooled engine gives trouble-free service in all weather, under all conditions. It leaps to life at a touch, makes mole-hills out of mountains... makes city traffic a pleasure!

Very important, too, is the fact that you find expert Volkswagen service, trained mechanics and parts – everywhere!

Yes, no doubt about it, a Volkswagen is the most economical luxury you can buy. Why don't you see for yourself – today!
